This is to certify that I, the owner of a residence located at the above site address have a current maintenance contract agreement with the Brown County Designated Representative. I understand that a homeowner who qualifies to personally maintain his/her system (as set out in *Brown County OSSF Order Section 9(D)*) to perform their own inspections and reporting must submit a contract, on this form provided to me by the Designated Representative for Brown County, whereby I am indicating to said Designated Representative that I will conduct the required maintenance on my property and provide periodic inspection reports along with verifiable documentation indicating that I have the qualifications to do such inspections as required and prescribed by the On-Site Sewage Facility Order of Brown County.

I further understand that inspections and reporting, at a minimum, must meet all requirements as set by the On-Site Sewage Facility Order of Brown County and 30 TAC, Chapter 285 as well as the inspection requirements recommended by the manufacturer of the system being inspected. Any additional repairs, inspections or service to my on-site sewage facility will require a report submitted to the Designated Representative for Brown County.

I am also responsible for renewing this contract on an annual basis for the life of my on-site sewage facility, beginning on the date of this Agreement.
