RE: NOTICE OF REMOVAL OF DOCK 4172

via Certified Mail and Posting at the Brown County Courthouse

Dear Mr. Clark,

Please be advised that the Brown County Water Improvement District Number 1 (BCWID) will be removing Dock 4172 within 30 days of this notice. Removal is necessary for failure to bring the dock into compliance with the District's Rules and Regulations, despite reasonable notice.

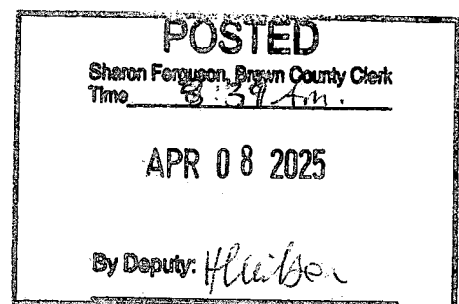

The BCWID Board of Directors approved the removal of Dock 4172 during its Regular Meeting on March 11, 2025. The dilapidated dock is underwater, deemed abandoned, and poses a hazard to visitors to Lake Brownwood. A picture taken on March 10, 2025 of Dock 4172 is enclosed herein.

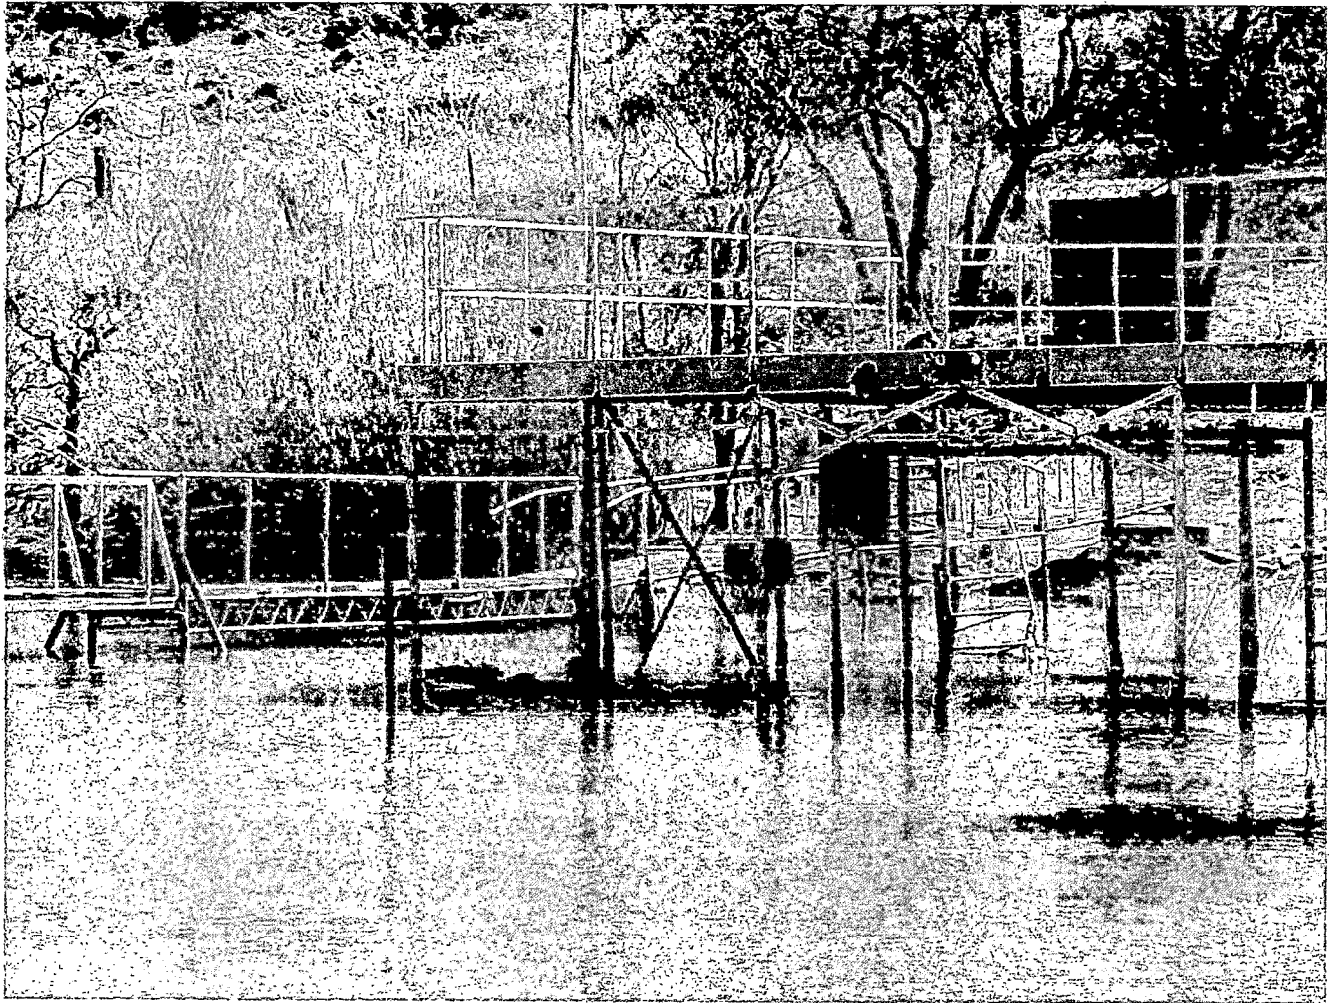

As stated in Article VIII Section E of the Rules and Regulations for Water and Land Under the Jurisdiction of Brown County Water Improvement District Number One, all expenses incurred by the BCWID for removal of the dock will be the responsibility of Mr. Clark.

For any questions or further information, please contact our office at (325) 643-2609.

Sincerely,

Brown County Water Improvement District Number 1
